Rounseville Saw Mill works in Rochester. The swiftly flowing river swollen from recent rains is topped by an icing of frozen foam in this picturesque setting. There is no skating on the river but every puddle and bog throughout the 3 towns were in use by skaters. The fair, crisp weather of the week-end made for perfect skating conditions.

Hartley and Mrs. Kenneth Winslow, delegates to Old Colony Association.

Additional recommendations on forming new committees were deferred to a meeting tentatively planned for February 12.

It was voted to call Rev. R. A. Burn of West Wareham to serve as interim minister beginning January 21st and continuing until the pastoral committee can procure a new pastor to replace Mrs. George A. Hill, Jr. who leaves January 14 to serve with her husband, Rev. George A. Hill, Jr., to serve the Methodist churches of Vineyard Haven. The committee chosen are Victor St. Aubin, Hoyle Demoranville Mrs. Marion Hartley, Mrs. Ethel Gary, H. Ellen Hartley, alternate; and Mrs. William Warburton, clerk.

Reports of progress were read by all organizations, and it was announced that the complete renovation of the parsonage is nearing completion. The budget for 1962 was approved and it was voted to hold a financial canvas in November.

Mrs. Hill read a letter expressing her appreciation for two years of cooperation, and for the surprise party and gift given her on Sunday evening, and expressed her reluctance to leave her first pastorate. She has continued her religious education during her tenure, and was recently ordained as a Deacon.

WOMAN'S CLUB HEARS LECTURE ON WATCHES

Mr. Henry B. Smith of Rochester presented an interesting lecture on "Watches, Past, Present and Future" at the January meeting of the Rochester Woman's Club.

A certified master watchmaker at the age of 22, Mr. Smith has been in the business for 32 years. He is a chairman on the board of the American Watchmakers Institute. Prior to World War II, he was owner of a retail jewelry store in New Bedford, but is presently a wholesaler and importer in that city.

A sound and color film, "The Story of Time", a tribute to generations of careful craftsmen concerned with the evolution of time measurement, was used by Mr. Smith to illustrate his lecture.

On display were antique clocks, watches and books on the subject. Mr. Smith explained the mechanisms of the various types of watches and their precision and service. Among the interesting watches that he circulated for closer inspection were a skeleton watch, an old Waltham chronograph, several modern chronographs, a Le Coultre automatic winding alarm watch and a standard marine chronometer. An explanation of the electric meter and special microscope used for checking the Bulova electronic watch created much interest. Service parts for this watch were passed around for examination. An interesting observation was made that one of these timing devices is standard equipment in every satellite for the purpose of stopping and starting units and shutting off the transmitter

when the satellite's use is ended. A lively question and answer period followed which took in everything from sundials to perpetual motion.

Mrs. Fred Church presided at the business meeting. Mr. Everett Hardy, acting scoutmaster for Boy Scout Troop 30, sponsored by the club, gave a report on recent scout activities. He announced that First Class Scouts who had been working for their God and Country Awards during the past year through study and active service to the church would receive them Sunday, January 14, at 10:30 A.M. and all who are interested may attend. He also reported that two of the troop committee members had elected to remain with Troop 30 and two had gone over to the new Troop 31 which will be sponsored by the Rochester Grange. Mr. Hardy also announced that there would be a North District Cub Scout and Boy Scout Round Table in the church on Tuesday, January 16, in the evening to include both troops and that Troop 30 had been asked to provide cup cakes and brownies for this event. Donations may be left with Mrs. Jane Ellis or Mrs. Bernice Hardy on Tuesday. It is expected that about eighty people will attend.

Mrs. Church announced that it would be very much appreciated if anyone having outgrown children's shoes in good condition would get them to Mrs. Madeline Baker, Rochester Memorial School Nurse, as they are very much needed.

Mrs. Everett Hardy and a committee served at a coffee hour following the meeting.

AFS MEETING IN MATTAPOISETT

Marion Chapter, American Field Service will meet at the Old Rochester Regional High School this Friday, January 19th at 3:15 P.M. Representatives of the Student Council have been invited to attend.

The Chapter is presently at a standstill, having to date, received no response to the published call for voluntary hosts for a foreign student to attend Old Rochester Regional High School for the 1962-63 school term.

Because the funds have been donated by Marion residents, it is felt that every effort should be made to find a suitable home in Marion. Tuition and transportation have been underwritten by the Old Rochester Regional District School Committee.

A recent ruling by the AFS control committee permits an American couple, over 37 years old, who have raised a family, but whose children are not now living at home, to apply as mother and father for a teenage student from abroad for the school year. Further details may be obtained by letter or telephone to the chairman, John R. Minter, Briggs Lane - Marion 203.

Families in Mattapoisett and Rochester are also invited to submit their names, in preparation for future students, and the formation of a three-town chapter of the American Field Service.

under the AFS program. Zarin was Marion's first foreign student; she is now in her third year at college. Mr. and Mrs. Thomas Weaver of Converse Road, Marion were her host family, and she attended Wareham High School. Zarin says that the girls will go uniform this year, and that they are planning a contest for cheer leaders.

ROCHESTER BOWLING LEAGUE, JANUARY 9

Hiller's Garage, still on fire, continues to set the pace in the Rochester Bowling League by shutting out Gibbs Farm Dairy 3 to 0. Frank Walsh with a 355 was the big gun for Hiller's with Art Tripp high for the dairymen with a 335. Eddie Arruda, 344, was head man for Dennis Mahoney & Sons in their clean sweep at Hartley's Garage. Big John Cebula's 360 led Hartley Saw Mill to a shut-out over Lloyd's Market. Don Gifford's 358 was top for Lloyd's. Herb's TV Shop managed to take two points from Rounseville Saw Mill with Barney Jefferson getting a 357 for the losers.

LIONS CLUB CALENDAR PROJECT

The annual Lions Club calendar project for Mattapoisett will get underway next Sunday, January 21st. This calendar is the local Lions Club's method of raising money which is donated towards Massachusetts eye research and also to such local projects as the tennis court which was built by the Lions at the Mattapoisett Center School yard. All residents are requested to participate by listing birthdays, anniversaries and by buying a calendar which features a Mattapoisett scene and the listing of dates important to the people of this town.

LETTER TO THE EDITOR Brandt Island Rd., Matt.

I have been much interested in the reports of birds seen in Mattapoisett and want to add several more varieties that come to our feeders. Besides a great many sparrows, chickadees, juncos, towhees, starlings and blue jays and a few grosbeaks, we have one flicker, 2 woodpeckers, one with a red cap on the back of his head, and one without, a small flock of purple finches with their queer little chirping "chew, chew, chew" and one nuthatch whose comical antics keep us constantly amused.
